

OBESSU Organising Bureau of
European School Student Unions

Greeting to IGLYO

The Organising Bureau of European School Student Unions (OBESSU) wishes the International Gay, Lesbian, Bisexual, Transgender and Queer Student and Youth Organization a fruitful General Meeting of Members. We hope you will have lots of interesting discussions and debates and that your work for a better world continues.

We would also like to take this opportunity and thank you for the good cooperation so far, especially regarding the Study Session 'Understanding, Developing and Implementing LGBT-inclusive Policies in Schools across Europe', which was held in Strasbourg in May. We look forward to the follow-up event and to another year of close and good cooperation.

We wish you all the best!

On behalf of the board of OBESSU,

Antonia Wulff
