In accordance to the IGLYO statutes [article 14] the Board of IGLYO hereby calls for the General Assembly to take place from Friday **13th** – **Sunday 15th November 2015** (excluding arrivals & departures) in Bucharest, Romania. There will also be an optional conference held on Thursday 12th November exploring LGBTQ Youth Activism in Eastern Europe.

We invite each IGLYO Member Organisation to nominate **one delegate** to take part in the meeting. Please complete the online registration form, which will be emailed directly to members shortly. The deadline for registering is **Wednesday 7th October**.

This invitation **only** applies to members of IGLYO. If you are unsure about your organisation's membership status, please contact karo@iglyo.com

IGLYO's Annual Members' Conference & General Assembly is the most important event for members to attend as it involves voting on the direction and structure of the organisation. This year decisions will include:

- Voting in new board members
- Approving the work plan and budget for 2016
- Updating the statutes & internal regulations

We will also be delivering a range of capacity building workshops throughout the weekend to support your organisation's work.

We would like to thank organisations and institutions supporting us in organising this event. The event is hosted by [ACCEPT Association, Romania](#)

Yours
