

Dear Members,

IGLYO is excited to officially invite all member organisations to our Annual Members' Conference 2018, which will take place in Edinburgh, Scotland from Friday **5th October – Sunday 7th October 2018**, kindly co-hosted by our member [LGBT Youth Scotland](#).

This year, Scotland is celebrating the Year of Young People. For this occasion, we will also offer a pre-conference on Thursday, 4th October on the topic of LGBTQI Life in Scotland. It will explore the positive changes for LGBTQI people through a conversation coffee, examine intersectional work through different experts, and highlight the current work on gender recognition in a panel discussion.

In this e-mail you will find a list of very important information for taking part in our biggest event of the year. Please, read everything carefully, including the attachments and in particular the AMC18 Technical Letter. Each member organisation should send one delegate to Edinburgh. If that is not possible, please consider giving a proxy vote to another organisation that will be present. If you have any questions, please check the attached information or the [AMC section](#) of our website. If you still cannot find what you are looking for, please get in touch with our Membership Engagement Officer Alejandro at alejandro@iglyo.com
