Delegation by Proxy

If your organisation is unable to send a representative to take part in the Annual Members' Conference, we strongly encourage you to nominate an organisation who can vote on your behalf. This can be done by completing the [Proxy Nomination Form](#).

As stated in the statutes article 15:

"Should one Member be absent, they may choose to give their vote to a proxy. Proxies must be Members. Any Member may only hold two proxies, expiring at the end of the Annual Members' Conference for which the proxies were given".

For information on which organisations can be nominated as Proxy, please send a message to alejandro@iglyo.com.

7. TRAVEL INFORMATION

Travel should be booked before completing the registration form, as you will be required to add your arrival/departure dates and times. If your travel exceeds €300, please contact alejandro@iglyo.com in advance to discuss. All travel booked should be a reasonable compromise between the lowest price and convenience. 9. REIMBURSEMENTS

Before posting Reimbursement Forms and receipts/boarding passes, please send a scanned copy or photos of all documents, including the Reimbursement Form to receipts@iglyo.com IGLYO still needs the original paper copies too, so they should be posted to:

IGLYO
Chaussée de Boondael 6
1050 Brussels
Belgium

Please make sure that original paper copies arrive no later than 08 November 2018 in the IGLYO office.

A/ Tickets & Receipts

Even if your travel was paid for by IGLYO it is essential that you keep all tickets and receipts. Boarding passes are especially important, so even if you check in online, please save a PDF copy of all tickets. Failure to supply tickets or receipts will result in you being asked to pay back the amount in full.

Whenever possible, you should check in online prior to departure and save the copy of electronic boarding passes to send with your completed reimbursement form and any other receipts to receipts@iglyo.com. This ensures that the boarding passes will not be lost. Furthermore, it is required to check in online by some of the budget airlines to avoid additional charges.

Participants should aim to keep expenses low by:

- Booking travel in advance
- Researching different options to find a reasonable compromise between price and convenience

Eligible claims are:

- Travel to/from the bus station/train station/airport in your home country and destination country which exceeds €5 per journey.
- Travel from your home country to destination country
- Visa costs

Claims shall not include:

- Taxi fares (unless public transport is not available)
- First class or business travel
- Parking/speeding fines
- Travel insurance

All claims made must be recorded on the IGLYO Reimbursement Form, signed and dated by the claimant and accompanied by receipts, which must be numbered and attached to sheets of A4, taped behind the Reimbursement Form. All receipts must be arranged so they are fully visible.

B/ Luggage

If luggage is not included in the ticket price, you are permitted to book one item of hold luggage (smallest available). If it is a short trip, Board Members, Volunteers and Staff are encouraged to only take hand luggage when possible. Any additional items of luggage or excess luggage costs will not be reimbursed by IGLYO unless agreed with IGLYO in advance.

C/Missed travel or failure to attend

Any expense related to the conference, which is missed or not attended will not be reimbursed or will need to be paid back to IGLYO in full unless there is a valid reason.

Legitimate reasons include:

- Serious illness (doctor's note may be required)
- Travel delays or cancellations without individual control

Non-legitimate reasons include:

- Lateness or poor time management in relation to travel
- Forgotten or lost passports/travel documents
- Getting lost or lack of travel planning
- Failure to check in online in advance

Reimbursements will only be processed when accompanied by receipts, tickets and boarding passes. Failure to provide these will mean your reimbursement cannot be paid.

D/ Attendance

The participants should be present for the entire session. Participants attending less than 80% of the total duration of the session will not be reimbursed.

10. MEMBER RIGHTS

All IGLYO Member Organisations should actively participate in the Annual Members Conference. By attending you will be able to:

A/ Submit motions and/or changes to the agenda

Do you think IGLYO is missing a topic that members should talk or know about? Do you think the statutes need an update? You can submit both motions and agenda changes through the [Motion Submission Form](#) by the deadline above.

Please note that only concrete proposals with a clear explanation shall be submitted. Incomplete proposals without sufficient information may cause the motion/agenda change not to be considered.

B/ Board Applications

Every AMC involves voting for new IGLYO Board Members. If your organisation would like to be more actively involved in running IGLYO you can submit a [Board Application Form](#) by the deadline above. IGLYO encourages member organisations to think about the diversity of the LGBTIQI community when nominating candidates.

C/ Host an upcoming event

Please get in touch with us if your organisation is interested in hosting any of IGLYO's future events. We are specifically looking for organisations to host the Activist Academy in 2019 and the Annual Members' Conference in 2021. We will provide the application form with the second mailing to this AMC.

Should you have any further questions about the registration, travel, fees, preparations for the Annual Members Conference or application processes, please do not hesitate to contact us via alejandro@iglyo.com.
