

Motion number:	4
Proposed by:	The Board
Document affected:	General Assembly of the Dutch Association IGLYO
Type of suggestion:	Dissolution
<p>Proposal:</p> <p>The Dutch association IGLYO is dissolved, any remaining assets is transferred to the Belgian association IGLYO, enterprise number 808 808 665.</p>	
<p>Reasoning:</p> <p>As of today there are two organisations called IGLYO. One is the Belgian registered association IGLYO, the other is the Dutch association named IGLYO. The Dutch organisation named IGLYO is a part of the history of IGLYO, as it was in the Netherlands IGLYO was originally founded.</p> <p>Each year there needs to be two general assemblies, one for the Belgian organisation and one for the Dutch, which is only a formality where the Dutch association repeats all the decisions and motions passed by the Belgian. As of today there are no reasons for keeping a Dutch organisation.</p> <p>Therefore the board proposes to dissolve the Dutch organisation. All funding goes today to the Belgian and this will not influence the access to Dutch funding, nor to IGLYOs files in the Gay and Lesbian Archives in Amsterdam.</p>
