Q3: What is your motivation to become an IGLYO FCC member?

I am currently working on finances at ProLGBT and during the last two years I have been able to learn more and establish a great experience. I believe that financial issues and professionalism in this field are both important and generally neglected in most of young organizations. Having this in mind I want to contribute with my experience at IGLYO FCC but also be able to further develop my professional experience.

Q4: Tell us about your knowledge and experience that would help you carry out the role.

In my daily work at ProLGBT I am responsible for monitoring the expenses of two current project, making sure that all the financial regulations and standards are meet and I am also responsible for book keeping of the organization, for salaries transfers and online tax payments. I also prepare at the end of the year a financial report for the external audit and for the Executive Director. Often I am responsible for preparing reports for the Board of Directors of the organization and for assisting the Executive Director in periodic reporting meeting with the Board.
