

Motion number:	1
Proposed by:	IGLYO Board
Document affected:	Documents that use LGBTQ rather than LGBTQI, most importantly the statutes
Type of suggestion:	Documentation Edit
Document: All relevant documents including former, current and upcoming organisational documents as well as all AMC documents or IGLYO communications henceforth	
Old text: References to 'LGBTQ'	
New text: To be replaced by 'LGBTQI'	
Reasoning: IGLYO is now officially an LGBTQI organisation, as agreed by the membership in 2015. The 'I', however, is missing from previous organisational documents as well as other materials. This motion proposes that in former documents in all incidents where appropriate (where intersex issues are relevant, and while referring to the work and mission of IGLYO) that LGBTQI replace LGBTQ.

Motion number:	2
Proposed by:	IGLYO Board
Document affected:	All organisational documents referencing the 'General Assembly'
Type of suggestion:	Documentation Edit
Document: All former organisational documents referencing the 'General Assembly' rather than the 'Annual Members' Conference'	
Old text: References to 'General Assembly'	
New text: Replace with 'Annual Members' Conference'	
Reasoning: All of our organisational documentation still refers to the 'General Assembly'; however last year it was decided to rename the 'General Assembly' to the 'Annual Members' Conference' to reflect the nature of the meeting better. This motion proposes to change the term 'General Assembly' to 'Annual Members' Conference' in all relevant documents to ensure consistency. Where General Assembly is used to refer to the membership, we will use 'delegates of the AMC' or 'membership', whichever one is most appropriate.

Motion number:	3
Proposed by:	IGLYO Board
Document affected:	Statutes
Type of suggestion:	Statute change
Document:	
Statutes III.6.a – Definition of Member Organisations	
Old text:	
Line	
30	(a) Membership of the organisation is open to any non-governmental and non-profit organisation that is
31	legally recognised under its national laws, which:
32	• Is an independent organisation or an integral part of another organisation;
33	• Comprises mainly of lesbian, gay, bisexual, transgender and/or queer youth and/or
34	students, or has a specific department working on LGBTQ youth and/or students issues
35	which is governed by young people and/or students;
36	• has a minimum of 10 members.
New text:	
(a) Membership of the organisation is open to non-governmental and non-profit organisations or groups, which:	
	• represent lesbian, gay, bisexuals, queer, trans and/or intersex youth and/or students, their culture or providing exclusive service to or support for them.
	• comprise mainly of LGBTQI youth and/or students or have a specific department working on LGBTQI youth and/or student's issues which is governed by young people and/or students
	• representing lesbian, gay, bisexual, trans and/or intersex youth and/or students and groups within other organisations such as university groups.
	• have a minimum of 5 members.
Reasoning:	
	• Expanding IGLYO's network to include LGBTQI organisations which are involved primarily in support/services for LGBTQI young people/students.
	• Opening up IGLYO to smaller organisations who would benefit from being a member of IGLYO especially in learning good practice and finding resources.
	• Expanding the organisations base to include smaller grassroots organisations whose parent organisation may not have an LGBTQI focus.
	• Include a safe guard for IGLYO that the organisation is still worthy of IGLYO membership as they are part of a larger body such as a university union.

Motion number:	4
Proposed by:	IGLYO Board
Document affected:	AMC Internal Regulations
Type of suggestion:	Edit
Document: AMC Internal Regulations	
<p>Old text:</p> <p>Line 175: Candidates are elected if they receive a majority of all valid cast votes.</p>	
<p>New text:</p> <p>Line 175: Candidates are elected if they receive a majority of all valid cast votes, which is over the threshold of 30% + 1 of all votes</p>	
<p>Reasoning:</p> <p>A threshold of 50% + 1 was suggested at the AMC 15, but rejected as being too high. The delegates of the AMC asked the board to submit a new proposal in 2016</p>
