

Dear Member Organisations

Statutory Members' Meeting Call: Friday 25 September

It was with great sadness that IGLYO decided to cancel its physical Annual Members Conference this year. As the pandemic continues to affect many parts of Europe, however, we feel being cautious and thinking about people's safety was the right decision.

Instead of holding a physical conference, IGLYO has been working hard behind the scenes to develop two separate events instead:

Statutory Members' Meeting: Friday 25 September (13:30 - 15:30 CET)

To ensure all essential governance decisions can be approved by IGLYO's membership, we will hold a two hour members' meeting. Voting will not take place during the meeting, its purpose is to simply present all the documents, motions, and board candidates which will be voted on and allow for questions and comments from the membership. Voting will take place through an online platform for a period of two weeks after the meeting.

A draft agenda is included below and more information will follow shortly about online registration and participation in the event. While it won't be the same as meeting in person, we very much looking forward to seeing you all virtually.

Global Youth Pride 3 - 10 October: Registration Open

As well as the members' meeting, IGLYO is working with a range of partners and the IGLA World Youth Committee to host the first global online youth pride. The festival will be held over two consecutive Saturdays, packed with speakers, panel discussions, live entertainment and performances, as well as an online party. Hold tight for some big announcements over the coming weeks. We're also delighted to open up this event to all LGBTQI young people across Europe and beyond. You can already download the event app from the Apple App Store or Google Play store and start connecting with youth activists from across the globe. Just search for UNITE 2020 or register online.

We appreciate that it has been a very difficult year and we know that yet more online meetings and events might not be the most appealing, but your participation in our statutory meeting is very much needed and appreciated, so we hope we can count on you being there. We also hope that our online youth pride will give us all some much needed time to catch up with one another, make new connections and re-energise us as a movement.

Queerly yours
